

Paradigm was established by Salvador Arteaga with more than 30 years of experience in concrete and masonry work. Our goal is to provide our customers with superior quality, artistry and promptness along with competitive price. Our guys have been with us since the company started; they are committed and work hard. "I am a working owner" Salvador explains. "I work on every job with my crew, and we pride in being prompt and accessible so that the owner can always reach me. We are very respectful of people's property." We take on every project small or large. Ensuring the customers' satisfaction and striving to improve service in all is part of our business.

We are a member of the Better Business Bureau.
